Music Outside of Repertoire	Organist's Discretion

Park Church considers weddings to be sacred, spiritual worship services. Therefore, recorded music is not permitted. Music outside the standard repertoire is at the Organist's discretion.

Clients and the Organist will hold a phone consultation within two (2) weeks of booking a wedding to determine music needs. An estimated balance will be given and both payment and a signed contract are due to the Organist at that time. Any changes to your balance will be due at the in-person music consultation. Unpaid balances will result in the cancellation of your wedding.

Client(s) are responsible for payment and coordination of any outside musicians.
